

Retrofit Restaurants and Nightclubs That Serve Alcohol with an Occupant Load Over 300 with Fire Sprinklers!

Remember the **100 dead** at the Station Nightclub fire in Rhode Island and the **231 dead** at the Kiss Nightclub Fire in Brazil, not to mention the **scores of injured**? It's time to say **NO MORE!** Fire sprinkler systems are the answer to prevent these tragedies from reoccurring. Recent headlines show that nightclub fires happen regularly, making them a **disaster waiting to happen**.
